

REMARKS

Applicant submits herewith a Substitute Specification under 37 C.F.R. §1.125(b). No new matter has been added to the specification. A clean version of the Substitute Specification is also attached herewith pursuant to 37 C.F.R. §1.125(c). The Substitute Specification is amended to eliminate impermissible references to the claims from the body of the Specification. The original text of the claims to which the specification referred, as initially submitted, has been inserted where references to the claims have been deleted. As the inserted language is merely copied from the claims as originally submitted, the inserted language is not new matter.

Section headings have also been added to the Specification, setting out each section as required by 37 C.F.R. § 1.77 (b).

No fees are believed due with the submission. Nevertheless, should a fee be deemed to be due by the Commissioner, such fee should be charged to Deposit Account No. 50-0951.

Respectfully submitted,

Date: 6/29/2007
